

VAN MEDICAL JOURNAL

WRITING RULES FOR AUTHORS

GENERAL	
General	<p>Manuscripts must be complete, clear, and scientifically rigorous. Follow the EASE Guidelines for scientific writing. Use the appropriate reporting guideline for your study type (CONSORT, STROBE, PRISMA, CARE, STARD).</p> <p>AI Policy: AI tools cannot be listed as authors. Any use of AI tools for writing, data processing, or image generation must be disclosed in the Methods or Acknowledgements section.</p>
WORD LIMITS & STRUCTURE	
Main Text (excl. abstract & references)	<p>Original Article / Invited Review: ≤ 3,000 words Case Report: ≤ 1,500 words Letter to the Editor: ≤ 750 words</p>
Abstract	<p>Original Article: 200–300 words Structured: Introduction, Materials & Methods, Results, Conclusion, For Clinical Trials, add TRN at the end. Invited Review: 200–300 words Unstructured Case Report: 150–250 words Unstructured Letter to the Editor: No abstract</p>
Keywords	3–6 terms from MeSH; semicolons as separator; lowercase except proper nouns; no abbreviations.
Tables / Figures	<p>Maximum: 5 tables AND 5 figures per manuscript. Tables: Embedded in manuscript, one per page. Title above, footnotes below. Do not submit as image files. Figures: Upload separately as JPEG or TIFF (min 300 dpi). Legends at the end of the main file.</p>
TITLE PAGE (Separate File)	
Title	Full title: ≤ 150 characters. Short title (Running Head): ≤ 40 characters.
Author Names	Full names and academic titles of all authors. If the work was presented at a scientific meeting, state the meeting name, place, and date.
Affiliations	Department, Faculty/Hospital, University/Institution, City, Country for all authors.
ORCID iDs	Required for all authors. Format: https://orcid.org/XXXX-XXXX-XXXX-XXXX . Corresponding author's ORCID is mandatory.
Corresponding Author	Clearly identified; full postal address, telephone, and e-mail required.
Word Count	State word count of main text (excluding abstract, references, tables, and figure legends).
MAIN TEXT STRUCTURE	

Section Headings	<p>Original Article: Introduction Materials and Methods Results Discussion Conclusion Declarations References</p> <p>Case Report: Introduction Case Report Discussion Conclusion Declarations References</p> <p>Review: Introduction [Thematic Subheadings] Conclusion Declarations References</p>
Subheadings	Unnumbered; use bold formatting.
Ethics Statement	Required in Materials & Methods AND in Declarations section. State: ethics committee name (use "[BLINDED]" for institution), approval date, and decision number. State compliance with Declaration of Helsinki and confirm informed consent.
Clinical Trial Registration	Prospective registration required (at or before first patient enrollment). State registry name, TRN, and date in Abstract and Methods.
Statistics	Define all variables and specify statistical software (name, version, company, location) and all tests applied.
SAGER Guidelines	Report the sex and/or gender of study participants and the method used to determine them.
DECLARATIONS (Mandatory — Before References)	
Author Contributions	Required. Use CRediT Taxonomy (https://credit.niso.org/). Use initials during review. Example: Conceptualization: A.B.; Methodology: C.D.; Writing – Original Draft: A.B., E.F.
Data Availability Statement	Required for all manuscripts. Choose one of the three standard statements (see Instructions to Authors).
Use of AI Tools	Disclose if AI tools were used. State the tool name, version, and purpose. If not used, state: "No AI tools were used."
Ethics Statement	Full statement with committee name (blinded), approval date and number, Declaration of Helsinki compliance, and informed consent confirmation.
Conflict of Interest	Declare all conflicts or state: "The authors declare no conflict of interest."
Funding	Acknowledge all funding sources or state: "This study received no specific funding."
REFERENCES	
Style	Vancouver/NLM style. Numbered consecutively in order of appearance.
DOI	Include DOI for all references where available (required for PubMed/ESCI compliance).
Recency	At least 50% of references must be from articles published within the last 5 years.
Author Limit	List all authors if ≤ 6 . If ≥ 7 , list first 6 followed by "et al."
Limits	<p>Original Article / Invited Review: ≤ 30 / ≤ 60</p> <p>Case Report: ≤ 15</p> <p>Letter to Editor: ≤ 5</p>
JOURNAL POLICIES	

Open Access	Fully open access. CC BY-NC 4.0 license. Diamond Open Access — no fees for submission, evaluation, or publication (APC = 0).
Peer Review	Double-blind external review by at least 2 independent referees. Editors make the final decision.
Acceptance Rate	Approximately 30% of submitted manuscripts are accepted.
Time to Decision	Average time from submission to first decision after peer review: ~45 days.
Preprint Policy	Submission of preprints (e.g., medRxiv, bioRxiv) is permitted. Disclose the preprint DOI in the cover letter.
Indexing	Scopus, TRDİZİN, DOAJ, EBSCO, CABI, J-Gate. p-ISSN: 1300-2694 e-ISSN: 2587-0351.
